## **Cramerton Athletic Club Medical Form**

This form is to be filled out completely and filed with the League before applicant can participate in any practices, games, etc.						
PARTICIPANTS' NAME: Date of Birth (MMDDYY)						
As parent or legal guardian of Participant, I herby give my consent for his/her participation in the athletic events listed on this form. I also grant permission for treatment deemed necessary for a condition arising during participation in these activities, including medical or surgical treatment recommended by a medical doctor. I understand every effort will be made to contact me prior to treatment. I agree to the need for screening medical examination and certify that the medical history is accurate to the best of my knowledge. I also understand this examination is a limited medical checkup to screen your child to see if he/she can safely participate in sports. The exam does screen for the common problems that have been shown to be a danger to athletes. It is not a comprehensive medical exam and often does not detect rare medical conditions. If you have concerns about your child having a serious medical illness, please schedule a visit with your personal physician.
